Fetal Assessment Course

Monday, July 29, 2019
St. Mary Mercy Hospital, Livonia, MI

About the Course

All OB/GYN and Family Medicine Residents are invited to attend the SEMCME Fetal Assessment Course sponsored by the SEMCME OB/GYN Committee. Attendance is mandatory for 1st year residents. This course is designed to teach and evaluate basic competency in interpreting antepartum and intrapartum fetal assessment data predominantly for the term pregnancy. Teaching methods include lectures and examples, with a focus on common terminology. Visual examples of fetal heart rate patterns are used extensively throughout the course. By completion of the day, course participants will be able to define and assess normal and abnormal fetal heart rates, variability, periodic and episodic decelerations, accelerations, uterine contraction patterns and uterine muscle tone.

Location

The course will be held at St. Mary Mercy Hospital, 36475 Five Mile Road, Livonia, MI 48154. The course will take place in the South Auditorium, Lower Level. A map with directions for parking will be emailed out the week of the course.

Registration

The course is free to all SEMCME OB/GYN and Family Medicine Residents. We need your advanced registration to prepare course materials and complete additional arrangements.

How to Register
Please register online at www.semcme.org. The deadline to register is Friday, July 19, 2019.

Tips for Registering Online
Important tips for registering online can be found below:

1) The platform is not supported by Internet Explorer so be sure to use Google Chrome (1st choice) or Mozilla Firefox as your web browser.

2) Go to your history and clear cache — you may be trying to load an old page instead of the most up-to-date page (in Chrome, clear history/cache through menu in the upper right corner). Shift F5 may clear your cache as well.

3) If you encounter other problems registering or need to cancel your registration, please send an email to semcme@med.wayne.edu or call SEMCME at (313) 577-1297.
