43rd Annual SEMCME Research Forum

Wednesday, May 26, 2021 • 8:00 am – 12:30 pm

Online via Zoom

Signature Forum recognizes remarkable research efforts made by residents representing all specialties from the SEMCME member institutions. Residents are selected from clinic day competition at their respective institutions. Papers represent the best of the best!

- Over 35 total research presentations in live stream or voice-over PowerPoint format
- Presentations judged on originality, quality of research, and effectiveness of presentation
- Residents compete for cash prizes and awards
- Featured Keynote Lecturer: Arnold Monto, MD

Internationally renowned expert in infectious disease prevention and vaccine effectiveness and Acting Chair of the Vaccines and Related Biological Products Advisory Committee providing advice to the Food and Drug Administration (FDA) on the development, authorization and licensure of vaccines to prevent COVID-19.

Abstract & Presentation Deadline: Friday, May 14, 2021
