

Pediatric Resident Research Forum

Friday, May 7, 2021

12:00 am – 4:00 pm

Conducted online via Zoom

About the Forum

This Fifth Annual SEMCME Pediatric Resident Research Forum is a collaboration between the pediatric residency programs at Beaumont Children's, Children's Hospital of Michigan, and Ascension St. John Children's Hospital. It is designed to highlight quality resident research and foster intellectual curiosity in order to build a spirit of inquiry among the SEMCME pediatric resident physicians. The Forum will encourage research relationships, foster the development of research and presentation skills, and allow faculty members, residents and registrants the opportunity to exchange scientific information.

The Forum will feature consecutive slide presentations made by residents from the three participating hospitals. A panel of judges will determine the award winners.

Agenda

12:00 pm – 12:15 pm	Welcoming Remarks
12:15 pm – 3:30 pm	Slide Presentations
3:45 pm – 4:00 pm	Awards
