About the Course

The course is a 6-day, intensive review of Internal Medicine to help with the preparation for the ABIM Certification examination. The course consists of lectures/discussions on several topics in Internal Medicine and its subspecialties based on ABIM blue print and an end of topic 20 question exam using the audience response system with answer discussion. A book consisting of all the course material will be provided.

- Lecture handouts book will be distributed on Day 1
- Continental breakfast and lunch will be provided
- Course will start 7:30 AM sharp! Please arrive on time

Dr. Geetha Krishnamoorthy, MD

SEMCME

WAYNE STATE
School of Medicine

Dr. Geetha Krishnamoorthy is an ABIM certified internist, and is currently the Program Director of Internal Medicine at St. Joseph Mercy Oakland in Pontiac. She was formerly the Associate Program Director of Internal Medicine and Transitional Medicine Programs at Sinai Grace Hospital/Detroit Medical Center. She is an active Clinician and Educator, who has been training Internal Medicine Residents since 1996. She has been conducting weekly Board Review Courses since 2002 at Sinai Grace Hospital and currently conducts weekly Board Review courses at St. Mary Mercy and St. Joseph Mercy Oakland Hospitals. The 6-day Intensive Internal Medicine course has been conducted by Dr. Geetha Krishnamoorthy since 2003.

Southeast Michigan Center for Medical Education (SEMCME) was established in 1974 for coordinating and assisting the education of medical students and residents, faculty and other health professionals. The participating hospitals include: Ascension Providence Hospitals – Novi, Rochester, and Southfield, Ascension St. John Hospital, Beaumont Hospital, Dearborn and Royal Oak, Detroit Medical Center Hospitals, Henry Ford Hospital, McLaren Health Care Hospitals, St. Joseph Mercy Ann Arbor, St. Joseph Mercy Oakland and St. Mary Mercy Livonia. Wayne State University School of Medicine and Oakland University William Beaumont School of Medicine make vital contributions to SEMCME's educational efforts.
