

# 7<sup>th</sup> Annual Michigan Summit: Quality Improvement, Patient Safety & High Value Care

## Virtual Presentation Competition

SEMCME is sincerely grateful to all residents, fellows and faculty for their participation in the Michigan Summit on Quality Improvement, Patient Safety & High Value Care during the COVID pandemic. We believe it is important to celebrate the full scope of your work by continuing this competition.

### Instructions for Presentations

- 1) Create a **voice over Power Point** of your project and note the following requirements:
  - a) Voice over Power Point must be **limited to 6 minutes**
  - b) The presentation should consist of slides that describe your research.
  - c) All presentations will be reviewed by at least two judges and the scores will be averaged to determine the winners in each category.
  - d) A Z-score will be calculated to help reduce variability among judges.
  - e) There is not a limit on the number of slides used, but be mindful that you are limited to a 6 minute presentation
  
- 2) The criteria used to judge the competitions is as follows:
  - Definition of QI/PS problem clearly stated
  - Statement of Project Objectives using SMART Aim
  - Presentation
  - Utilization of QI Tools
  - Clearly defined metrics
  - Suggestions – innovative or designed to improve performance
  - Multi-disciplinary/multi-professional approach
  - Impact on patient care and/or caregiver wellness
  - Clearly stated conclusion
  
- 3) Rehearse and convey what you want your audience to know when you are done
  - a) Anticipate questions that judges may have as they will not be able to ask and hear your responses

For instructions on how to create the voice over Power Point, please see :

<https://www.howtogeek.com/449836/how-to-record-voiceover-narration-in-powerpoint/>

- b) **Upload** your voice over Power Point presentation to YouTube.com **by May 4, 2022** to allow QI Summit organizers time to assign your submissions to the judges.

- 4) Instructional video: [https://www.youtube.com/watch?v=VWVUKRVf\\_kg](https://www.youtube.com/watch?v=VWVUKRVf_kg)  
 a) Submit the URL of your YouTube video in your Michigan QI Summit Application account:  
 5) <https://semcme.knack.com/mi-summit-qi-and-ps-2021#applicant-abstracts/>

I understand that if selected, my abstract and/or poster will appear in a compendium of symposium proceedings and the collaborating organizations can share my poster within their membership. \*

No ▾

I have followed my institution's guidelines for research approval and have received permission from my Program Director and Co-Authors to submit this project \*

No ▾

I would like this submission considered for Oral presentation. \*

- e. Your submitted abstract will be included in the information sent to the judges

## Virtual Scoring Information

- SEMCME will assign and notify your 2 judges to score the voice over PowerPoint between **May 5 and May 11, 2022.**
- Judges will log into their online account to score each presentation and will have the ability to send written feedback to the presenter. The QI Summit organizers will send all written feedback to presenters after conclusion of the judging period.
- All judge scores will be converted to standard scores (Z scores) to account for variation in how judges Score. The scores will determine the competition winners for 1st, 2nd, and 3rd place for resident presentations and 1<sup>st</sup> place for fellow presentations.
- Winners will be announced during the awards ceremony of the 7<sup>th</sup> Annual Michigan Summit on Quality Improvement, Patient Safety & High Value Care on May 18<sup>th</sup>, 2022.
