

**Beaumont Hospital - Dearborn  
Medical Student Summer Externship Program**

**Program Objective**

Beaumont Hospital - Dearborn provides a Summer Externship opportunity, to introduce a real worldview of clinical medicine as well as to expand the clinical perspective of students.

Students will primarily function as observers, although the externship experience should enhance the student's doctor-patient communication ability and physical diagnosis skills. Students will be introduced to how physicians make clinical decisions and be given the opportunity to increase their knowledge base by reading on the patients who will be seen daily.

**Location**

We are located in Dearborn, MI, about 1/8 of a mile from the Southfield Freeway (M-39). However, the Family Medicine Externship is located at the Westland Family Medical Center in Wayne, MI (for clinic location information visit <https://www.beaumont.org/locations/beaumont-medical-center-westland>)
