

Program Dashboards & Resident Remediation

John Watt, MD
St. Joseph Mercy Ann Arbor

Top-8: Resident Dashboard & Remediation Template

1. Dashboard: fair, objective, and transparent.
2. Dashboard: improves bi-annual reviews and CCC info.
3. Dashboard: adapt to what matters to your program.
4. Dashboard: list all data points under competency categories.
5. Remediation: templates get better results.
6. Remediation: do the right thing, even when it's not easy.
7. Remediation: list specific behaviors resident should do and measurable evaluations.
8. Remediation Professionalism: follow options sheet, & inform HR / legal.
